Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Phase of Journey	Stage 1	Stage 2	Stage 3
Actions <i>What does the customer do?</i>	• Opens the HDI Predictor website. • Reads the project overview. • Navigates to the prediction page.	• Enters Life Expectancy, Expected Years of Schooling, Mean Years of Schooling, and GNI per Capita. • Clicks the Predict button. • Waits for the prediction.	• Views the predicted HDI score and category. • Analyzes graphs on the Analysis page. • Uses the results for learning or decision-making.
Touchpoint <i>What part of the service do they interact with?</i>	• Home Page • Navigation Bar • Project Introduction	• Prediction Form • Flask Backend • Machine Learning Model	• Result Page • Analysis Page • About Page
Customer Thought <i>What is the customer thinking?</i>	• I want to know the development level of a country. • Is this application easy to use? • Can it provide accurate predictions?	• I hope I entered the correct values. • Will the prediction be accurate? • I want the result quickly.	• What does this HDI score indicate? • Which factor affects the HDI the most? • Can these insights help in decision-making?

Customer Feeling <i>What is the customer feeling?</i>	• Curious • Interested • Hopeful	• Focused • Slightly anxious • Excited	• Satisfied if the prediction is accurate. • Confident after viewing the analysis. • Motivated to explore more.
Process Ownership <i>Who is in the lead on this?</i>	• User • Frontend (HTML/CSS) • Flask Application	• Flask Backend • Linear Regression Model • Model Prediction	• Flask Application • Analysis Module • User
Opportunities <i>How can we improve this stage?</i>	• Improve the homepage design. • Add project information. • Enhance navigation.	• Validate user inputs. • Improve model accuracy. • Reduce prediction time.	• Add more visualizations. • Allow PDF report download. • Compare predictions between countries.
